

Jupiter Rotary club launches its annual dictionary project!

In 1995, the dictionary project was started as a local civic project in South Carolina. The program grew to national levels in 2000 and has had tremendous growth and volunteer support. Since the inception of the program, the program has given away 7,891,101 dictionaries. In 2007, the program gave away 3,234,000 dictionaries.

This year the Rotary Club of Jupiter Tequesta will work to provide dictionaries to local 3rd graders. Local volunteers and sponsors are needed now! To learn more about the dictionary project please log on to www.jupiterrotary.com
